

POWERinvert 300W

Mains Power on the move

Provides 230V power in your vehicle, perfect for life on the move

Silent operation

Includes a low noise fan for minimal noise in use

Easy to use

Simply connect to your in-vehicle 12V socket

Charges mobile devices

Includes USB port for charging mobile devices

Compact 300W Inverter for On-the-Go

The OSRAM POWERinvert Modified Sine Wave Inverter 12V DC 300W is a compact solution for converting 12V DC power to 230V AC, delivering mains power directly from your car. Perfect for business trips, road trips, and holidays, this inverter supports devices up to 300W, such as laptops. It features a high-power 2.1A USB socket, ideal for charging smartphones and tablets. Easy to use, simply plug it into your vehicle's 12V DC socket. Its compact and lightweight design ensures convenient storage and portability.
